## Work Experience

### Web Developer

*Levelwing/November 2017-Present*

- Built and maintained responsive web templates using HTML, CSS, Javascript, and PHP.
- Assisted in the design and development of ecommerce, corporate, and international sites.
- Utilized Wordpress and Advanced Custom Fields to build unique, tailor-made websites.

### Adjunct Professor - Web Design

*Trident Technical College/August 2017-Present*

- Developed and instructed various courses among the Visual Arts Department, particularly in Media Arts and Web Design.
- Worked individually with students to improve understanding of course material and gave in depth feedback for course grades.
- Kept up with new and upcoming technologies to present to students with a focus in web design, HTML and CSS.

### Freelance Web Designer/Developer

*Cameron Brigham Bolus, LLC/August 2016-Present*

- Assisted companies in branding needs such as graphic and web design.
- Created responsive web presence for start-up companies.
- Maintained project timelines to ensure on time delivery of work.

### Pricing Analyst

*Mediterranean Shipping Company/September 2014-June 2015*

- Coordinated with offices across the U.S. to provide vessel reservations for clients.
- Managed time efficiently to balance high volume of emails and phone calls with daily work.

### Photography Intern

*Charleston Magazine/February 2014-May 2014*

- Met deadlines in a fast paced environment.
- Worked directly with designers on layouts and participated in the planning of photo shoots and upcoming publications.
- Gained experience in product, food, and event photography, and had several photographs published.
